

Shower Head Treatment & Descaler

- ✔ **Effective Treatment against Legionella.**
- ✔ **Conforms to Legionella Test Standard NTCC 11192.**
- ✔ **Will Descale & Sanitise - Shower Heads, Plumbing Fittings and Sanitary Ware.**

Directions

Use neat for difficult to remove/heavy deposits.

For a routine treatment, use a solution of 1 part Shower Head Plus to 3 parts water.

When the solution colour changes from yellow to blue/green, this indicates that a fresh solution should be used.
